We are now under new ownership.
Myself & my affiliates have over thirty years
experience in the pizza business. This
restaurant has been serving the South Loop
community for the past five years.

We've been able to grow & expand our
business by the loyal customers that we have
attained over the years through the charm
of our great food & great customer care.

We serve a fantastic pizza, every part of
which is made from scratch, from our
dough, to our sauce, which is made fresh
daily from our secret family recipe, which is
newer & better than the previous one. We
look forward to continuing to impress you
with our great food, customer care & our
family values. We appreciate you choosing
us to order from & we appreciate it even
more when you recommend us to your
friends & family. That is by far the greatest
compliment one can receive. Without you,
our valued customer, we surely would not
still be here. We challenge you to try the best
pizza in town!
