We are now under new ownership.
Myself & my affiliates have over thirty years
experience in the pizza business. This
restaurant has been serving the Wrigleyville
community for the past four years. We've
been able to grow & expand our business by
& only by, the loyal customers that we have
attained over the years through the charm
of our great food & great customer care.
We serve a fantastic pizza, every part of
which is made from scratch, from our
dough, to our sauce, which is made fresh
daily from our secret family recipe, which
is newer & better than the previous one.
We are a gourmet pizzeria, in which we
only use the finest & freshest ingredients.
Our superior pizza is never made with any
artificial ingredients or preservatives.
We look forward to continuing to impress
you with our great food, customer care,
& our family values. We appreciate you
choosing us to order from & we appreciate
it even more when you recommend us to
your friends & family. That is by far the
greatest compliment one can receive.
Without you, our valued customer, we
surely would not still be here. We challenge
you to try the best pizza in town!
